AISA Athletic Handbook, page 17-18:

10. Any student whose parents' residence has changed from one community to another is eligible for competition, providing the residence change meets **ALL** of the following criteria for a bona fide move:
 - a. The family's household furniture and all personal belongings must be moved into an unoccupied house, apartment, or a dwelling of similar structure and size. Documents substantiating the inhabitancy of a new dwelling must be available upon request.
 - b. The entire family (all immediate dependents) must move to the new residence.
 - c. The original residence must be closed, rented, or disposed of and not used by the moving family.
 - d. Documents verifying a vocational change relocation, transfer, or for other related vocational and/or livelihood reasons which necessitate a move by the primary family bread winner must be available upon request. Residence changes for purposes other than those stated above will receive no consideration.
 - e. The parents' residence must change to a location that is geographically (as measured by road miles) closer to the school attended.
 - f. The AISA office must be notified immediately in writing by the receiving school of any student-athlete transferring in from a member school.
 - g. The AISA office staff must personally visit and evaluate any move which is questioned in writing by a member school administrator.
 - h. Eligibility approved on the compliance with the bona fide move criteria will be revoked immediately upon the families return to the dwelling from which they moved.
