***I work on a team operating and troubleshooting high tech equipment in a chemical plant. Safety and integrity are the main values that we are held to daily. I work twelve hour shifts with constant attention to detail.**

COOK/BARTENDER | HALF SHELL OYSTER HOUSE | FROM 08/13 TO 11/2015

***I worked in a fast-paced kitchen as a cook which required me to work with many other employees. We worked in a tight space with orders coming in at a fast pace, so communication was key.
