Re: **AISA Required Sports Safety and AED**

Please give the requested information regarding the following AISA athletic requirements and return to the AISA office no later than **August 9, 2018.**

School _____

Coach _____ is certified in Sports Safety, **including CPR.**

Coach _____ is certified in Sports Safety, **including CPR.**

Our school has an AED (Automated External Defibrillator).

Our school does not have an AED.

HEAD ADMINISTRATOR'S SIGNATURE

Please refer to #14 and #15, AISA Athletic Handbook, page 3

14. All AISA schools that participate in athletics must have at least two coaches certified in Sports Safety, **including CPR.**
15. Automated External Defibrillators – AED

All AISA member schools are required to have at least one (1) AED unit on site. These units should be available and readily accessible during the school day and at all school sponsored activities and events.
