

July 29, 2020

To: Head Administrator/Athletic Director

From: Roddie Beck, AISA Athletic Director

Re: **AISA CPR Requirement for All Head Coaches**

Head coaches must be certified in CPR for his/her sport by the opening date of their sport's season, according to the AISA Calendar of Events. **This policy applies to all athletic programs, including pee wee levels.**

To confirm compliance of this policy, please provide the requested information and must be on file at your school:

School: _____ Headmaster: _____

Athletic Director: _____

Signature signifies head coach is certified in CPR for his/her sport by the opening date of their sport's season:
