**Alabama State Law, page 2, (b):** “Each sport or recreational organization governing body shall ensure that coaches receive annual training to learn how to recognize the symptoms of a concussion and how to seek proper medical treatment for a person suspected of having a concussion.”

**The Athletic Director from each AISA school that participates in athletics must review the NFHS concussion guidelines (located in NFHS rule book) with his/her school’s coaches. This should be done prior to the first practice and is required for all AISA interscholastic sports.**
