#### FEATURED SPEAKERS

**DANIEL TRUELOVE** | Daniel has been privileged to work with students and educators for the past thirteen years, and his story of loss and almost giving up on life was the catalyst for his commitment to advocate for Mental Health and Suicide Awareness.

**ADAM WELCOME** | Adam has been a teacher, Assistant Principal, Principal and Director of Innovation for a district with 35,000 students, and he is passionate about connecting with other educators from across the country and makes it clear that kids come first and has preached the message of Team Kid for many years.

**DEVIN SIEBOLD** | Devin delivers the non-stop laughs, and shows teachers how laughter can not only change their mindset, but also the mindset of those around them. He discusses building classroom community around humor, the science of healing and mental-wellness through laughter, and even gives a powerful lesson on conquering negativity.
