<u>T</u>	\mathbf{F}				
$\frac{\mathbf{T}}{(}$	()	1. The official timer should ascerta	ain the game starting time and suggest that	the Referee and	
		both Coaches synchronize their	watches.		
()	()	•			
		a team's basket for the alternation	ng possession procedure.		
()	()		he-out have to be reported prior to the 45 sec	cond warning.	
()	()		er and timer be seated opposite each other.	C	
()	()		a maximum of 60 seconds in length.		
()	()	6. Extra periods are an extension of			
()	()	7. No time out is charged for displaced eyeglasses or lens.			
()	()	8. The timer shall sound the horn anytime a substitute is ready for play.			
()	()	9. Time is out and the clock, if running, shall be stopped when an official grants a player's			
` /	` /	visual request for a time-out.			
()	()	10. The length of an extra period is	4 minutes.		
(()	11. Thirty second time outs are now legal.			
(()	12. A try for goal ends when the throw is successful, when it is certain the throw is			
()	()	unsuccessful, when the thrown ball touches the floor, or when it becomes dead.			
()	()	13. The Referee can have the timer removed for improper conduct.			
()	()		A red light is mandated behind each backboard to supplement the audible timer's signal.		
()	()	15. A coach can now legally call three one-minute timeouts and two thirty second timeouts.			
()	()	16. A warning horn shall be sounded after 15 seconds have elapsed during a 30 second time-out.			
()	()	17. The team obtaining control of the jump ball starts the alternating possession procedure.			
()	()	18. If play is started or resumed by a jump ball, the clock shall be started when the ball is tossed.			
()		() 19. It is mandated that an "X" 18 inches wide and 4 inches long be placed on the floor in front o			
` /	()	the scorer to help with substitutes.			
()	()	-	15 seconds before the expiration of the allot	ted time during an	
` /	()	intermission or a full length cha		8	
				(Yes or No)	
Ans	wer the t	Collowing question: Are you familiar v	with the operation of an Electric Clock?	()
