

Employment Opportunity High School Basketball Coach (Boys and/or Girls)

Springwood School is currently accepting applications for High School Boys' and/or Girls' Basketball Coach positions. Depending on experience, qualifications, and overall fit, opportunities may include either a Head Coach or Assistant Coach role.

We are seeking individuals who:

- Demonstrate strong Christian character and serve as positive role models for student-athletes.
- Are team players who actively support and promote all Springwood athletic programs.
- Have a passion for the game of basketball and for mentoring young people.
- Emphasize character development, discipline, and sportsmanship.
- Teach and develop strong basketball fundamentals.
- Bring energy, leadership, and a commitment to developing the whole athlete—mind, body, and spirit.

Previous coaching experience is preferred; however, we are ultimately seeking the right individuals to join our athletic program and invest in the lives of our student-athletes.
